

VACANCY

FREIGHT FORWARDER

Ready for a new challenge at a company that is always thinking ahead? Avi Air, located at Amsterdam Airport, Liège Airport and Liège Airport, is looking for a Freight Forwarder!

Avi Air is a specialist in air freight solutions, especially for fresh products. With over 25 years of experience, we continuously strive for improvement while making maximum efforts for our customers and colleagues. Our success comes from close collaboration with our partners, from production to consumption. In addition, Avi Air is committed to creating a working environment where everyone feels at home, can develop to their full potential and really contributes to the results. Due to this attitude, Avi Air has increased significantly in size in recent years, and we want to continue this growth. That is why we want to expand our team with a Freight Forwarder.

As a Freight Forwarder you are responsible from A to Z for planning and coordinating our customers' supply chain, you ensure seamless execution of the daily logistics process. You do this in collaboration with your colleagues and suppliers.

YOUR MAIN RESPONSIBILITIES:

- Contact with customers and suppliers
- Setting up and implementing the logistics process
- Proactively monitor the process and correct where necessary
- Ad-hoc sale of air freight capacity

WHAT WE REQUIRE:

- Logistical education, experience or affinity with this
- IT-minded
- You can speak English fluently
- 32-40 hours per week, 4/5 attendances per week
- Shift starts between 07:00hrs and 14:30hrs throughout the week
- Periodic standby duty outside opening hours, with appropriate compensation
- You live within a radius of 50 kilometers from Schiphol
- You possess a valid EU work permit
- The possibility of applying for a VGB or proof of at least 8 years of residence in the EU

THE QUALITIES YOU BRING:

- Attention to detail and excellent organizational skills
- Adaptability and flexible
- Prioritization and decisiveness
- Excellent communication and interpersonal skills

THE COMPANY:

You will be part of an enthusiastic and diverse team of over 20 colleagues from various countries. English is the primary language. The team has a startup mentality with an informal atmosphere where collegiality is key. We work closely together and communicate directly. We utilize each individual's strengths and always support each other in tackling priorities.

THE WORK ENVIRONMENT:

Our modern office is conveniently located in Schiphol-Rijk, with private parking and public transport at the doorstep. The office is open and bright, featuring a well-stocked kitchen that often doubles as a meeting space. We organize fun team activities multiple times a year, and every other week, you can sign up for an in-office massage.

WHAT WE OFFER:

- Competitive salary
- 13th-month
- Pension contribution
- 8% holiday allowance
- Travel expense reimbursement
- Study costs arrangement
- Focus on personal and team development
- Smartphone and laptop
- Informal and family-like atmosphere
